Technical Skills

- Programming Languages : Python , C, C++, JavaScript, Php
- Languages - HTML, CSS
- RDBMS : Apache sql server
- Packages : Microsoft Office
- Operating Systems : Windows 11

Project

- **Mahaveer (E-Learning Management System)**

This project is comes under the web Based Application. This Application is developed with the help of HTML, CSS, Bootstrap, PHP, MySQL etc.

- **Client-Server Architecture Visualization**

Designed a web application to visually demonstrate client-server interactions using animated data packets and SVG graphics. Implemented features to animate the flow of questions and responses, with dynamic text display and color-coded visual elements.

Personal Skill

- Observation
- Decision making
- Communication
- Multi-tasking
- Analytical
- Project Management

HOBBIES / EXTRA CURRICULAR ACTIVITIES

- Reading
- Learning Self Improvement Skills
- Event Organizing
- Teaching

About Me

Innovative and detail-oriented Web Developer with experience in creating dynamic and visually engaging web applications. Skilled in modern web technologies, including HTML, CSS, and JavaScript, with a strong background in cryptography, client-server architecture, and responsive design. Currently pursuing an MCA at Teerthanker Mahaveer University, with a solid foundation in programming and web development.

Education Background

- **Master of Computer Applications (MCA)**
Teerthanker Mahaveer University (TMU) | Moradabad, India
Expected Graduation: 2026
- **Bachelor of Computer Applications (BCA)**
Quantum University | Roorkee, India
Graduation Year: 2024
CGPA: 8.44
- **Higher Secondary Education (Class 12th)**
CBSE Board
Sarvagya Public School | Roorkee, India
Year: 2021
Grade: 92%
- **Secondary Education (Class 10th)**
CBSE Board
Sarvagya Public School | Roorkee, India
Year: 2019
Grade: 86.8%

Experience

Web Developer Intern

Virtual Labs, IIT Roorkee
June 2024 – August 2024

- Developed and enhanced web-based visualizations for GSM network architecture, focusing on SVG animations and data packet movements.
- Contributed to the design and implementation of a client-server simulation application, demonstrating packet flow and response handling with animated visual elements.

Placement Coordinator

Corporate Resource Centre (CRC)
Quantum University, Roorkee, Uttarakhand
August 2021 – June 2023

- Managed and led the university's Placement Club.
- Organized events such as guest lectures, seminars, and Management Development Programs.
- Facilitated partnerships, including signing MOUs with key organizations.

Web Development Intern

Com-Tel, Roorkee, India
June 2022 – August 2022

- Created website content and designs to enhance user engagement.
- Assisted in developing and maintaining responsive, user-friendly websites.
